U2V

Wrapping yarn tensioner

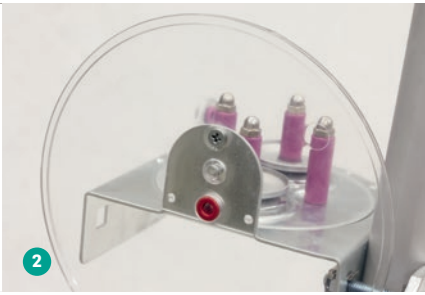

柱式纱线张力器

Your benefit

- Easy handling
- Sturdy construction
- Low-priced

您的优势

- 操作简单
- 结构稳定
- 价格低廉

- 1 Manually adjustable yarn tension via the wrapping angle
通过改变纱线包围角手动调节纱线张力
- 2 Balloon protection for preventing the jumping-over of the balloon onto the yarn tensioner
气圈限制器，防止纱线退绕时因气圈过大而缠绕在张力器上

Product features

产品特点

- Due to its easy handling and cost-efficient construction, the wrapping yarn tensioner U2V is ideally suited for all denim applications.
- The U2V yarn tensioner generates the required yarn tensile force based on the combination of wrapping and disc weight.
- 柱式纱线张力器拥有简单的操作和低廉的价格，是牛仔布生产领域的理想组件
- U2V纱线张力器通过纱线包围角和张力的重量控制纱线张力
